

Fundraising Event:

On February 23, 2013, the United States Clay Target Foundation in conjunction with the Major League Baseball Players Alumni Association will be holding our 2nd Annual ***Shoot with the Legends*** clay target shooting event to raise funds for the United States Clay Target Foundation, a 501(c)(3) non-profit organization. The mission of the United States Clay Target Foundation is to support athletes at the grassroots level in shotgun safety, training and education as well as training and facilities for shotgun athletes pursuing Olympic dreams. To date, the Academy and its two Olympic level coaches, Bonnie Chamberlain and Marvin Spinks have produced a number of local, state and National Champions as well as Junior Olympic team members and US Team hopefuls.

In June 2011, we established the USCTF and developed a youth shotgun sports training academy. In January 2012, we joined Skyway Gun Club in St. Petersburg, Florida to create a premier training facility. Plans include building a full, Olympic style bunker for Olympic Trap training, a dedicated Olympic Skeet field, an indoor physical, mental and vision training center, which will include an electronic training simulator, video analysis equipment, physical training equipment and a dormitory for transient and resident athletes. Presently, the facility has both Olympic Skeet and International Wobble Trap.

Please help us in establishing a strong grassroots youth program and a world class facility for National and International Shotgun Sports training.

Best afield,

Bonnie Chamberlain

President

United States Clay Target Foundation
